"YOUGH-A-MON"

FOREWORD

This issue of the "Yough-A-Mon" is our contribution to the enduring record of McKeesport High School. It is an illustrated story of events which have made this year different from all other years. In the years to come, when war has ceased, and peace has again spread her mantle over the nations of the earth; when the memory of your Alma Mater has been dulled somewhat by the swift passage of time, just glance through these pages again to refresh the pleasant memories of your high school days. If you should in spirit live over again your life in McKeesport High School, then we will consider our purpose accomplished and our work a success.

DEBATING ACTIVITIES

Shortly after the opening of school last September, Mr. Tacey, of the Social Studies faculty, met pupils interested in debating as their extra-curricular activity. But, debating, like most projects, was greatly affected by the war. Because of travel difficulties, inter-scholastic competition in both the National Forensic League and the Pennsylvania Music and Forensic League was abolished for the duration.

To keep alive an interest in debating and to aid the debaters in learning to think and to speak, Mr. Tacey arranged for numerous audience debates. The subject for discussion was "Resolved: that a world federation should be established." This timely subject produced some very stimulating public and private discussions on post-war problems. Members of the debate club visited several of the local churches, service clubs in this city, in East McKeesport, and in Turtle Creek.

In February, McKeesport High was host to thirteen schools participating in an invitational tournament. Our debaters also took part in tournaments at the University of Pittsburgh and at West View. These tournaments offered fine opportunities for practice and for meeting debaters from other schools.

In the Scrap Drive held last fall, several members of the debate club served as speakers before theatre audiences. Perhaps the most outstanding work accomplished by the club was its part, together with the Student Council, in sponsoring the Bond and Stamp Sales campaign. The assembly program arranged by these two organizations greatly stimulated student interest in the government's appeal for funds.

MUSIC CLUB PRESENTS "MARTHA"

An Opera In Three Acts

HIGH SCHOOL AUDITORIUM

April 7 and 8, 1947

The glee clubs, assisted by the orchestra, scored a fine musical success with the presentation of the fascinating opera *Martha*, by Friedrich Von Flotow, abridged and simplified by David Stevens. This clever presentation under the direction of Miss Arla E. Wallace, merited much popular acclaim from the enthusiastic audiences.

The opera centers around Lady Harriet Durham, Maid of Honor to Queen Anne. The action takes place in the early eighteenth century. Lady Harriet and her friend and confidante, Nancy, becoming bored with life at the court, disguise themselves as peasants to engage in service at the Hving Fair at Richmond. At this fair, these disguised ladies, now known as "Martha" and "Betsy", meet Lionel, the true Earl of Derby, and Plunket, a wealthy farmer. These men, not knowing the true character of Lady Harriet and Nancy, hire them to work on their farm for a year. As "Martha" and "Betsy", the girls soon discover that they are expected to work. Complications then arise. As may be expected, Lionel falls in love with "Martha". Only the supposed superiority of his social rank prevents him from declaring himself. Lady Harriet as "Martha" finds herself to be in a similar state of mind regarding Lionel.

The girls decide that escape from Lionel and Plunket is the only way out of their dilemma. They contrive to escape, but Lionel and Plunket set out to bring them back. Lionel, while attempting to claim "Martha" as his servant, declares his love for her. Pretending she does not know him, "Martha" calls for help. Lionel is seized and brought to the magistrates. When the Queen sees Lionel's ring, which his dying father had given him, and which would secure his release whenever he would be in danger, she restores him to his true estate. At Nancy's suggestion, when she sees that Lionel has become hall crazed by Lady Harriet's repudiation of his devotion, the scene of Richmond Fair is recreated, with the courtiers and ladies as farmers and servants. Lady Harriet, in her peasant costume, engages the attention of Lionel. In the end, Lionel realizes his dream of winning Lady Harriet. Plunket surrenders to the charms of Nancy.

THE CLASS OF 1943

Presented

"PLANE CRAZY"

By

DOROTHY ROOD STEWART

The Thespians of the senior class presented, with striking success, the rollicking farce, *Plane Crazy*, in the high school auditorium, May 6 and 7. The presentation of this thoroughly-modern and lively comedy reflected fine casting of characters by the committee and excellent directing by Mr. Schad.

The plot of *Plane Crazy* centers around Jimmy Haleon's wanting to fly. His desire to fly meets with little encouragement at home, because Jimmy's father is not air-minded, and refuses to give his consent to Jimmy's request for a course in student aviation. To pave the way for this request, Jimmy gets a job as hangar boy at the airport.

When he is about to break the news to his father, he discovers that his father has lost his temper over what he considers Jimmy's carelessness. He hides Jimmy's pants in the closet, so he cannot go out. But Jimmy borrows Putrid's pants and goes to Julie's hamburger stand, where Muscles, Peggy, and Honey-chile are gathered. Here Jimmy learns that, since his credit is no longer good, Julie has sent the bill to his father. He finds a dollar in Putrid's pants. This happy fact saves his embarrassment for the moment. He then arranges to work for Julie in order to pay off his debt. With the help of the "gang," he starts a campaign to increase Julie's business.

Since he knows his mother and father will not approve of his working at Julie's, he conspires with the "gang" and with his friend Putrid to keep it secret. After school, Jimmy works at the airport: from dinner time until eight, he studies. While Jimmy works at Julie's, Putrid takes his place in his room, studying. Meanwhile, Peggy helps Jimmy to catch up on his English.

Everything works fine, until Putrid's grades improve so much that his mother calls on the Haleons to express her gratitude. That same evening, Mrs. Haleon has invited the "gang" to surprise Jimmy. But Jimmy is discovered missing, while Putrid is found climbing into Jimmy's window. Peggy goes in search of Jimmy. Before they can return, the plot is out—inevitably, since Jimmy has run into a stone pillar at the airport. This accident was caused by Jimmy's craning his neck at an airplane, while he was driving at a speed of twenty miles an hour.

Chip Burke, a flying instructor, takes this incident as a provocation for a sales talk to Mr. Haleon. He tries to convince Mr. Haleon that flying is no more dangerous than driving automobiles. Mr. Haleon does not need a sales talk, however. He has already decided to sign the permit, since Jimmy wants to fly so badly. In the meantime, Honey-chile, who has always considered Jimmy her property, takes over Putrid, since she can't compete against flying and Peggy, too.

The Gang

With Apologies to Wordsworth

Our lessons are but a trial and a forgetting.
 The knowledge that rests with us, our toil's reward
 Hath had elsewhere its interest
 And goeth not very far.
 Not in entire forgetfulness,
 And not in utter indifference.
 But trailing clouds of gloom do we come
 From the office wherein lies our doom
 Work lies all about us through the day!
 Shadows of reports begin to close
 Upon the struggling freshman;
 The soph perceives his marks and whence they come
 He sees in them his doom
 The junior, who daily struggles hard,
 Gains courage when he sees his card;
 At length the senior beholds his A (?)
 And continues, satisfied, upon his way.

Don't be afraid of what is new,
Nor banish as unsound, untrue,
A platitude.

If folks don't act as you would choose,
Remember life is varied, use
Your common sense—don't get the blues;
Show latitude.

Sing though in quavering sharps and flats,
Love though the folk you love are cats,
Work though you're worn and weary—that's
The attitude

THE YEAR IN ATHLETICS

The 1942-1943 year was rather drab as far as athletic victories were concerned. Our teams showed a willingness to win, but a lack of excellent material and a wealth of husky opposition often brought us to defeat. In baseball, McKeesport High won five games but suffered three defeats. In tennis, we made a poor showing, having won only two matches out of eight played. In golf, our record is better, for our golfers won five matches out of eight played. In football, the Tinsonmen registered four victories and six defeats. In basketball, McKeesport High emerged victor only seven times out of twenty. Altogether, the record was a keen disappointment to both players and fans. Possibly, fortune will smile more graciously on us during 1943-1944.

FOOTBALL RESUME

On Armistice Day, McKeesport closed her ten game football schedule with a surprising 7 to 0 victory over the Gladiators of Glassport. The Tigers showed a fine brand of football in their closing game.

McKeesport showed promise of a good year in football by crushing Sewickley Township by the score of 39 to 6. Kovacic was outstanding for the Tigers. He scored two touchdowns.

On September 19, Duquesne invaded the Tigers' lair to score their first touchdown in our series of games. Because of a fine passing attack, the Dukes scored a 19 to 0 victory.

The Johnstown Trojans handed the Tigers their second defeat of the season by the score of 18 to 6. Pausic scored our only points. Kovacic, who gave promise of becoming a star, broke his arm. This accident kept him on the side lines for the rest of the season.

Clairton, another W.P.I.A.A. opponent, secured a sweet revenge for her defeat of last year. The Tigers, in a night game, were overpowered 26 to 0.

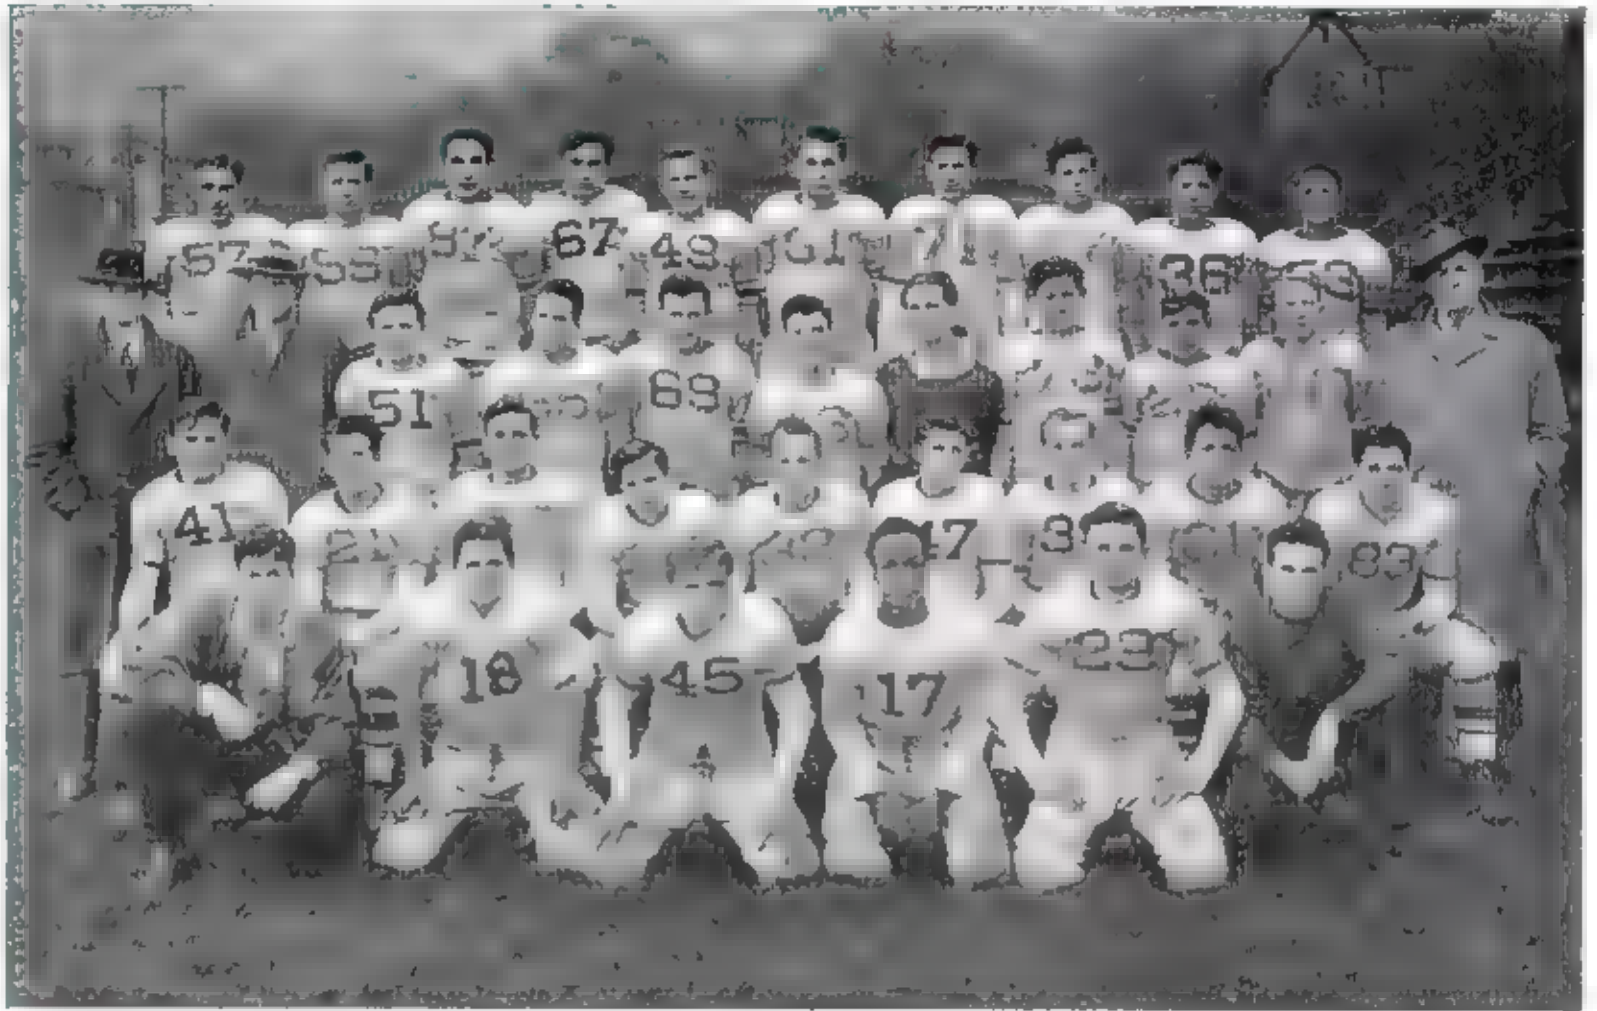

The Little Presidents of Washington out-played the Tinsonmen by a 26 to 0 score. Tom Jeffers, their sterling half back, led their powerful attack.

The following Friday night, the Tigers travelled to New Kensington to absorb another set-back. New Ken's shifty plays and heavy line proved too much for the Tigers, 13 to 0.

McKeesport dropped her sixth straight game by losing to a powerful Har-Brac aggregation by the score of 32 to 0.

Taking advantage of the breaks on a rain-soaked field, McKeesport scored an unexpected victory over German Township High by the score of 13 to 6. Obusek scored on a recovered fumble, while a long pass from Carlson to Riley resulted in another touchdown.

The Tinsonmen came through with another fine victory over a hard-charging, heavy Schenley team, which ranked high among the Pittsburgh High Schools. At the final whistle, the score was 12 to 0.

TENNIS RESUME

The 1942 tennis record was not impressive. McKeesport encountered too much opposition in Section II to win her share of the matches. Edgewood scored two wins, while Duquesne split her matches with McKeesport. The "netters" from McKeesport scored a double win over Wilkinsburg.

The 1942 squad consisted of Robert Madden, Robert Brown, Don Beatty, Carl Swartz, Leonard Rojohn, William McCloskey. All of the boys were available for the 1943 season.

GOLF RESUMÉ

McKeesport High, a member of Section I, played a schedule of eight matches. The Tinsonmen won five of these matches. Munhall High was the only team to win both matches. McKeesport won both matches with Norwin.

The line-up consisted of Robert Craighead, Charles Tremont, Francis Tremont, Edward Hitchens, George Ruschak, Wilbur Hildebrand, William Liebolt. Graduation took Charles Tremont, Edward Hitchens, and Wilbur Hildebrand. With a year's experience, the remaining lettermen should round out another fine team.

BASEBALL RESUMÉ

For the second time in five years, the Red and Blue baseball teams failed to win the sectional championship. The 1941 graduation took all of the lettermen except Pete Brletic, Pete Gerba, Robert Vidnovic, and Ray Liptak. Around these Coach Fallquist had to build his 1942 machine. Good material among the Reserves included Lionel Caldwell, Robert McKee, Elmer Dingledein, Charles Devic, Thaddeus Kmiecik.

As in former years, McKeesport was placed in Section I, along with Mt. Lebanon, Duquesne, Turtle Creek, Braddock. Duquesne was the only team to take the two game series. The end of the season saw McKeesport with five wins and three losses. Duquesne won the sectional honors.

Coach Fallquist planned to form another strong team this spring. Lettermen Lionel Caldwell, William Wilson, John Pausic, Thaddeus Kmiecik, and Robert Phillips were to be the nucleus of another strong club.

BASKETBALL RESUME

Again a member of Section VI, McKeesport played a twenty game schedule. Of these, only seven were recorded on the right side of the ledger. McKeesport broke even on the non-sectional games. She won only one game from her Section VI rivals—the first game with Clairton.

Coach Priest began the season with lettermen Dave Bowland, Findley Campbell, Paul Correll, James Riley. This squad was augmented from last year's Reserves by Glenn Hays, Harry Lis, Chester Brown, Watson Wysocki, Jack Reynolds. This combination played good basketball, but the opposition was too formidable for the boys. Several of the games were hotly contested, with the margin of victory a slight one. Dave Bowland, Glenn Hays, and Lionel Caldwell led the locals in scoring with 108, 106, 102 points.

"If you sit down at set of sun
 And count the acts that you have done,
 And, counting, find
 One self-denying deed, one word
 That eased the heart of him who heard—
 One glance most kind,
 That fell like sunshine where it went—
 Then you may count that day well spent.

But if, through all the livelong day,
 You've cheered no heart, by yea or nay—
 If, through it all
 You've nothing done that you can trace
 That brought the sunshine to one face—
 No act most small
 That helped some soul and nothing cost
 Then count that day as worse than lost."

The Red and Blue

Hail, Alma Mater's colors proudly flying,
Red and Blue, we pledge to thee our love,
Dearer to us than crimson deep or purple,
Guide of our way, as true as stars above.

Chorus:

Though some love the blue and gray,
And others a gleam of gold;
The flash of the green or silvery sheen
Displayed when the flags unfold,
Whatever the shade may be
That keeps others brave and true,
Though colors are many, you'll not find
That any compare with the Red and Blue.

Emblem we love, thy colors, softly blended,
Speak of the life that all our sons must share;
Red for the sun whose beams are shining on us,
Blue for the sky, so bright and so fair

ALUMNI NEWS

The Alumni News has, to a large extent, followed the procedure that was adopted in the 1940 News. The editors have listed the roll of the 1942 class by courses. They have also featured the class of 1912. This group held a reunion last June. The editors have listed the activities of the various graduates.

The editors have also included the Graduates-in-Arms. The list herein given contains the names of more than one thousand alumni who are serving in some branch of the military service. Without doubt, the roll is not complete. The editors have included every one whose name was given to them. They have used every possible means to make this list complete. Any omission of names is due to the lack of necessary information.

THE 1912 REUNION

The class of 1912 held a fine reunion at the Youghiogheny Country Club last May. This was the third reunion of the class. The first one—in 1932—was a steak fry that paved the way for a fall dinner. Then, in 1937, the class held another dinner.

A feature of the 1912 reunion-dinner was the roll call. James J. Henderson served as toastmaster, and called for reminiscences from the thirty-four members attending the affair. At graduation, the class numbered seventy-eight.

All of the officers who served the class during the year 1911-1912 attended the reunion. They included Chester Wiester, partner in Pavey and Company, Food Brokers, with headquarters in Springfield, Illinois; Mrs. Vera Hoak Richards, of Cleveland, Ohio; Mrs. Mary Ride Lees, of Kensington, Maryland; John Richards, Director of Research for the American Steel and Wire Company, with headquarters at Cleveland, Ohio. Welcomes were given by Mr. Wiester and Mrs. Richards. Invocation was offered by Mrs. Lees, whose husband, Robert Lees, was also a member of the class. Mr. Lees is associated with the Aircraft Division of the War Production Board.

Letters were read from Fred Reiter, who is a lieutenant colonel in the U. S. Army, Washington, D. C.; John Serena, attorney, Philadelphia, Pennsylvania, and

Dr. Louis Goldblatt, of Youngstown, Ohio. The Rev. Calvin Hamilton, a Baptist minister, Ferndale, Michigan, sent a wire. Out-of-town guests included Frank Cuthbert, head of the music department, University of West Virginia, Morgantown, West Virginia; Mr. and Mrs. William T. McKee, of Pittsburgh; Mr. and Mrs. Paul Patton, of Dayton, Ohio. Mr. McKee is Assistant General Manager of Sales, National Tube Company, with which concern he has been associated for the past thirty years. Mr. Patton is a salesman for the Manufacturers Equipment Company, of Dayton. James Henderson, the toastmaster is Assistant to Manager of Sales, Pittsburgh District, Carnegie-Illinois Steel Corporation. Mr. Henderson has been associated with this concern since his graduation. For the past ten years, he has been a member of the Board of Education, McKeesport School District.

Other class members attending the dinner included Miss Hazel Breitingner, a McKeesport teacher; Mrs. Virginia Baldridge Pringle, of R.D.3, Irwin, Pa.; Mrs. Viola Daum Smith, McKeesport; Mrs. Emma Findley Campbell, Port Vue; Mrs. Alberta Gilhu Hoak, McKeesport; Miss Ann Grinberg, Pittsburgh; Mrs. Violet Hemminger Clark, Greenock; Mrs. Grace Hobby McDonough, McKeesport; Mrs. Lillian King Gruber, Dravosburg; Mrs. Ethel Lindberg Julin, McKeesport; Mrs.
